1 June, 2026

June Principal's Message

This is it - the final stretch of the 2025-26 school year! As always, June is packed full of celebration and culminating activities. Please keep an eye on information from your child's classroom teacher for specifics about their field trips and activities because there is a lot happening this month!

With the busy schedule of June plus the knowledge that the year is wrapping up, you may find your child is a bit less regulated in the coming weeks. We will continue to build regulation skills throughout the day at school - drinking lots of water, taking breaks, spending time outside, breathing, colouring, connecting with an adult etc. We know it's challenging at this time of year, but maintaining a good sleep routine at home is a great way to help, too.

This month we move into the Generosity area of the Circle of Courage. This means we are focusing on how we show that we care about others, our school, and our community. Check our Facebook page each Thursday about how you can connect to these ideas at home, as well. It's a great time of year, amidst all the celebration, to be grateful and generous!

Thank you for all of the support you've given to the Perley Team this year. It's been a very positive year filled with incredible opportunities for our learners and that only happens when we have a strong connection between the home team and the school team! Our school is stronger thanks to your involvement and support. If you want to see what that looks like, come to the PAC meeting!

If we don't see you before the end of June, have a great summer!

Kirsten & Shawn

Upcoming Events
June 1 PAC Meeting in the library at 5pm
June 10 Welcome to Kindergarten Event at 5:30pm
June 15 Indigenous People's Day Celebration
June 16 Fire Department Splash Down Day
June 22 Kindergarten Grad in the ReWild 11am
June 23 Primary Fun Day
June 25 - Last Day! Final Assembly 9am Grade 7 Grad 10am Dismissal 11:30am

Indigenous People's Day Celebration

National Indigenous People's Day is June 21st, and as usual we will be celebrating ahead of time, on June 15th. Perley will host all of the Hutton students on our grounds for a day of dancing, drumming, stories, games, and food. Feel free to come by anytime that day and see what we are up to! Primaries will be outside in activities in the morning and intermediates will be out in the afternoon.

District Track Meet Gratitude

A HUGE thank you to parents who volunteered at the Track Meet in May. It is a big event that takes a ton of volunteers and this year everything ran especially smoothly thanks to our fantastic volunteer crew. We also want to give a shout out to Sharon and Jade at the office for bringing it all together. If you haven't participated before, put it on your list for next year - it's a great day!

Fire Department Splashdown Day

Every year we are lucky to have the Grand Forks Fire & Rescue Team set up some fun activities in the water for us. This year it will be Tuesday, June 16th. Over the day, each class will have a chance to come and check out the fire truck, participate in safety activities, and play in the water. Stay tuned for details from your child's classroom teacher about how to prepare for the day.

See you at the PAC meeting on June 1
